CLUB NOTES

The Directors, Officials and Players of this Club extend Christmas Greetings to all our friends and supporters, wherever they may be—including our visitors to-day from Leicester, who met us at Filbert Street on Boxing Day—thus providing our first ever Christmas soccer programme together.

Unless the Third Round F.A. Cup-tie with Stoke City is to be replayed, this afternoon provides the last home glimpse of North End seniors for three weeks, and brings not too familiar faces from Leicester—who in over fifty years have only provided the Deepdale League opposition on fifteen occasions—of which they have won two—victorious on their debut here on September 19th, 1908, then as Leicester Fosse, and again on Good Friday, 1955.

Founded as long ago as 1884 by Old Boys of the Wiggleston School, elected to the League, Division Two in 1894, promoted in 1908, club reconstructed and renamed City in 1919, F.A. Cup Finalists in 1949. When we discuss Leicester City as our visitors we must not forget our three stirring F.A. Cup tussles with them on this ground, losing in 1934, winning in 1938 and 1954, when we went through to Wembley in each year. Leicester City were last here on Monday, evening, September 22nd, 1958, North End winning 3-1, a comfortable 3-0 lead being provided by Tom Finney (26 minutes), Tommy Thompson (52 minutes) and Gil Lambert (72 minutes), then a gift goal from a defensive blunder gave City slight consolation after 77 minutes. *North End* : Else ; Cunningham, Walton ; Milne, Dunn, O'Farrell ; Mayers, Thompson, Hatsell, Lambert, Finney. *Leicester* : McLaren ; Cunningham, Baillie ; Newman, Knapp, Keyworth ; McDonald, McNeill, Walsh, Leek, Calder.

PARKING OF MOTOR VEHICLES

All football supporters are asked to co-operate with the police and fire services in traffic matters near Deepdale. Large car parks exist within a short distance of the ground and more use ought to be made of them. Indiscriminate parking, often on both sides of narrow streets, is an undesirable hazard to the safety of lives and property. In an emergency these conditions would seriously interfere with fire engines, ambulances and police vehicles. Your co-operation in this matter would be appreciated.

Reserved Seat Tickets for WEST STAND and SOUTH PAVILION are available for all League games at 7/- and 8/- respectively. They will be on sale as and from the Monday before each match, at the Pavilion Stand Office, in Skeffington Road.

NORTH END and STOKE CITY *in the F.A. Cup Competition*

The first of our three previous F.A. Cup clashes with Stoke City, occured on January 17th, 1891, at Stoke in Round One—at a time when North End were a considerable power in the game, and the 0-3 shock defeat created consternation further afield than Preston. In the North End side on that day were redoubtable figures such as Trainer, Nick Ross, Bob Holmes, Gordon and Drummond, but after a goalless first half Stoke ran out winners with goals from Turner, Balham and Coupar—a debacle that was described as an " Abysmally poor performance by Preston."

It was not until February 13th, 1897, in a second round tie at Deepdale, that North End could claim revenge on a dreadful day when rain fell torrentially. A gate of 7,000 paid £209 to find Stoke ahead at the interval due to a goal by winger (W.) Maxwell close on halftime. In the second half Stevenson duly equalised after 14 minutes, and after 33 minutes Tom Smith scored a great goal on the run to give North End the day : North End : Trainer : Holmes, Dunn : Blyth, Greer, Orr : Smith, Pratt, Stevenson, Boyd, Henderson. Stoke : Johnstone : Clare, Eccles: Durber, Grewer, Rowley: (W.) Maxwell, (S) Maxwell, Hingerty, Hill, Schofield.

Forty years elapsed before our third Cup meeting, this in Round Four on January 30th, 1937, North End en route to that Wembley final with Sunderland. It was a very cold day and snow fell on the proceedings, witnessed by a gathering of 23,866, who paid £1,644 for the privilege. Stoke City led at halftime through a fast oblique shot in the twenty-fifth minute by left winger Johnson, but North End were irresistible after the change of ends when facing the Spion Kop. After seven minutes the Stoke pivot Turner sliced a kick through his own goal, then Jimmy Dougal put us ahead, to be followed by a glorious hat trick by the late Frank O'Donnell. Harry Holdcroft in goal had been superseded by Mick Burns—who on that day declared that he had never been on the losing side in a game against Stoke City. North End : Burns : Gallimore, Lowe : Shankly, Tremelling, Milne : Dougal, Beresford, (F.) O'Donnell, Fagan, (H.) O'Donnell. Stoke City : Wilkinson : Brigham, Harbot : Tutin, Turner, Kirton : Matthews, Antonio, Steele, Westland, Johnson.

MEET THE OPPOSITION . . . .

Going to Press before the Christmas soccer programme gets under way, the outcome of our Saturday's visit to Leicester is still to be decided, so that the task of presenting a possible City line-up this holiday afternoon is a hazardous business, but injuries apart we can reasonably expect to see the team so successful in their last two testing games with Wolves and West Ham—two victories considered priceless in the Leicester safety struggle.

At present the role of custodian falls to the lot of **GORDON BANKS**, a native of Sheffield and a stranger to Deepdale. Standing 6 ft 1 in. and weighing 13-0 stone, he signed for Chesterfield in September, 1955, to Leicester in May, 1959—debut this season at 22 years of age. Right back **LEONARD CHALMERS**, aged 23 years—born Geddington in Northamptonshire, a big fine athletic type, he signed for the Filbert Street staff in January, 1956, debut last season. Left back, Irish international **BILL CUNNINGHAM**, he comes from Templepatrick, County Antrim—but made the soccer grade when with St. Mirren F.C. in the Scottish League, joining Leicester in December, 1954, a penalty kick exponent.

Right of the three halves is the 24-years-old **IAN WHITE**, a son of Glasgow, spent two years with Celtic F.C. before signing for City in May, 1958. Debut this season, who last Saturday against West Ham, scored his first goal in League football. Centre half **JOHN KING**, a well set up young man of 22 years, born Loanhead, in Midlothianshire, Scotland—a former junior player with Arniston Rovers F.C. Went to Leicester in June, 1957, and is a part-time player, debut in season 1957-58. He has recently been incapacitated through injury and the tall and strong youngster

from Newstead, Nottingham—**TONY KNAPP** has deputised—product of Nottingham junior soccer circles with a team called Bentick F.C. Made his first team bow in season 1957-58. Left half **COLIN APPLETON**, at 23 years of age has plenty of League experience, and is in his sixth season at Filbert Street, he comes from Scarborough, signing for Leicester in March, 1954.

Right winger is the Glasgow born ex Wolves player **TOM McDONALD**, transferred to City in season 1955-56 after four First Division appearances for Wolves. His inside partner is the Burnley born **ALBERT CHEESEBROUGH**, who scored the winner against West Ham last week. Aged 25 years, he first went to Burnley F.C. in January, 1952, transferred to Leicester as recently as June this year, debut in the present season—a very clever little player who stands no more than 5 ft. 6 ins. Centre forward and ex left back, is the six-footer **KEN KEYWORTH**, who hails from Rotherham, and is a product of Rotherham junior football. His League baptism came on the opening day of last season. On his left we find the 24-years-old Welsh lad **KENNETH LEEK**, tall and strongly built, a native of Ynysbwl, which is in Glamorganshire—he first went to Northampton Town F.C. in August, 1952, transferred to City in May, 1958, and played the first of his frequent League games last season. Left winger **GORDON WILLS**, another debutant last campaign, this nicely built youngster comes from Wednesbury, Staffs.—first played with Wolves then he moved to Notts County, and last year signed for Leicester.
